The Indian Light

## THE COMPANY

### Vision

Our Vision is to become India's largest LED lighting company that provides LED lighting products of numerous varieties which are not only of high quality & reliability but also competitively priced to cater to various section of society.

### About Aronix

Aronix is the brand meant to produce innovative lighting technologies of various types using LED technology for both indoor and outdoor usage. These products are meant to be the best substitute and replacement to the lighting products that are currently being used. Drivers & LEDs / COBs are the most critical parts in LED lights and to provide you with the best all Aronix products are fitted with the world's leading brands. We also provide a 2 year warranty for our products.

All Aronix products are highly energy efficient, radiation free, eco friendly with excellent light output & longer life. Aronix has a range of products under the categories of Down lights, Street lights, Flood lights, High bay & Bollard lights. The range of products come with different shapes like round, square, rectangle & leaf like. To meet the various light output demand we have products of different sizes & wattages with excellent power factor. We will keep introducing new products under the Aronix brand at regular intervals so as to meet the demands of various customer segments. We request you to please go through our product catalogue to have a better understanding of our products.

### Our Team

We have a very effective team whose main focus is to provide the best quality lighting products to our customer's. Most of the professionals working at senior levels have put in many years of experience in the lighting industry. Our Sales and Marketing team works closely with our business partners & end users listening to their needs & wishes and closely interact with our technical team to satisfy the market demand. Our manufacturing team is fully dedicated in meeting both quality and quantity demands thus making the production costs very effective. Thus we are a dynamic team working to satisfy customer needs all the time in a timely and effective manner.

Pressure Die Casting

120 Watt Multi-LED Flood Light	AX MLFL 006	120 Watts	360 KW	10500 lm	340	240	105
150 Watt Multi-LED Flood Light	AX MLFL 007	150 Watts	460 KW	14730 lm	370	290	110
200 Watt Multi-LED Flood Light	AX MLFL 008	200 Watts	580 KW	17600 lm	670	320	195
250 Watt Multi-LED Flood Light	AX MLFL 009	250 Watts	750 KW	23050 lm	670	320	195

Material : Aluminium Casting with toughened Glass  
 IP Level : All the Flood Lights are IP 65 Certified  
 LED : Cree / Citizen / Sen Nikko  
 Colour Available : CW, WW  
 CCT : 3000 - 6500 k

**Arise - Round COB Down Light**

Product Name	Product Code	Wattage	Annual Power Consumption	Maximum Lumens	Overall Dimensions		Cutout Dimension
					Dia	Height	
10 Watt Arise COB DL	AX ADL 001	10 Watts	30 KW	900 lm	120 Dia	56	108 Dia
16 Watt Arise COB DL	AX ADL 002	16 Watts	50 KW	1440 lm	145 Dia	68	132 Dia
26 Watt Arise COB DL	AX ADL 003	26 Watts	78 KW	2340 lm	200 Dia	83	186 Dia

Material : Aluminium Casting with Frosted Glass  
 IP Level : IP 20  
 LED : Cree / Citizen / Sen Nikko COB  
 Colour Available : CW, NW, WW  
 CCT : 3000 - 6500 k
